

REQUEST ACTIVE STATUS

Please note the following before submitting this form:

- Board rule requires that a license be in good standing in order to be eligible to change status. If the license has expired, been revoked, or is at any other lesser status than *inactive*, the license status cannot be changed.
- Reactivation of a license requires the **payment of \$100.00** (the current RPLS registration renewal fee) in the form of a check or money order made payable to TBPLS.
- The licensee is required to submit, in conjunction with this form, **certificates of completion for 12 hours of continuing education, with three of the hours being a study of the Act, Board rule, or ethics.**
- All applications to reactivate a license will be approved at the discretion of the Executive Director and the Board.

Please complete the following (this form will serve to change any previous contact information on file with the Board):
