DETAILED DESCRIPTION OF QUALIFYING SURVEYING EXPERIENCE FOR SURVEYOR-INTERN

Experience is to be obtained in the following major element of professional surveying and shall include a minimum of three months (520 hours) of accumulated experience in each one of the major elements. The Board requires that qualifying experience shall be accomplished under the direct supervision of a Registered Professional Land Surveyor. The goal is to require progressive experience, not one year of experience repeated several times.

LEGAL PRINCIPLES, BOUNDARY RECONCILIATION AND DEED SKETCHES

1. Prepare Deed Sketches for use by the field crew that indicates called monuments and other evidence that needs to be located during the field portion of the survey.
2. Identify boundary line discrepancies based on field measurements and deed or record information. If an obvious conflict is apparent require the field crew to specifically investigate the evidence.
3. Reconcile records and field evidence on a working sketch to clearly indicate preliminary determinations.
4. Determine boundary line locations and have them reviewed by the Designated RPLS for corrections.
