POSITION DESCRIPTION AND RESPONSIBILITIES

The Investigator will be responsible for routine investigative work. Work performed will include review of alleged violations of laws, rules and regulations related to the Texas Engineering Practice Act and the Professional Land Surveying Practices Act obtaining factual data necessary to appropriately resolve complaints through dismissal or prosecution. Conducts investigations through data collection, review and evaluation of engineering plans or land surveying documents, specifications, and other supporting documents. Independently plans, organizes, schedules, and conducts investigations within the confines of established procedure and policy. Interviews witnesses and obtains appropriate consultation. Preparation of comprehensive, detailed reports of investigative findings that support case resolution is expected. Responds to inquiries from general public and the engineering and land surveying community concerning laws, statutes, and related issues of compliance. Will communicate professionally and effectively with engineers, applicants, and general public, as well as with Compliance & Enforcement team members, staff attorney, and other TBPELS staff. Works under moderate supervision from the Supervising Investigator, with limited latitude for the use of initiative and independent judgment. May be required to travel and drive a personal or rented vehicle for investigations, presentations and or training.

Applicants should clearly describe on their application how they meet the minimum qualifications for the position. Qualifications may be verified through testing.

REQUIRED QUALIFICATIONS

- Minimum four years’ experience in comprehensive investigative work.
- Skills in compiling, evaluating, and presenting relevant data gathered through investigation or review.
- Experience in investigations and examinations of alleged violations of state laws, rules and regulations.
- Ability to initiate and coordinate various phases of an investigation.
- Ability to communicate professionally and tactfully both verbally and in writing.
- Ability to gather information and evidence which may include knowledge of collecting evidence and conducting field studies.
- Ability to explain and interpret pertinent provisions of laws and regulations to other investigators, licensees, and complainants.
- Ability to work cooperatively with others in case preparation.
- Experience in identification of and/or contacting potential witnesses or complainants for interviews.

- Successful completion of CLEAR, Specialized NCIT Level II Course, Intermediate TCLOE certificate or equivalent
- Experience in regulatory investigations.
- A current valid Texas Driver's License.

PREFERRED QUALIFICATIONS

- Experience working in a state regulatory agency.
- Experience in investigations and examinations of alleged violations of state laws, rules and regulations.
- Experience and skills in presentations of technical information to board, commission and or general audience.
- Experience in building construction, building codes; legal experience and familiarity with legal proceedings, surveillance work, electronic record keeping, and public speaking.

EXPECTATIONS

Work is expected to be performed under moderate supervision with limited latitude for the use of initiative and independent judgment. Attends work on a regular and predictable schedule in accordance with agency leave policy.

EDUCATION

Graduation from an accredited four-year college or university with major course work in engineering, land surveying, construction, criminal justice or public administration preferred. Experience and education may substitute one for another.

OTHER

TBPELS is an Equal Employment Opportunity Employer. The Board does not discriminate on the basis of race, color, religion, sex, national origin, age, disability, or veteran status in employment or in its activities. Minorities, veterans, and disabled applicants are encouraged to apply.

The selected applicant must show proof of eligibility to work in the U.S. in compliance with the Immigration Reform and Control Act. Proof of eligibility to work in the U.S. will be confirmed using E-Verify. All males who are age 18 through 25 and required to register with the Selective Service must present proof of registration or exemption from registration upon hire.
