

TEXAS BOARD OF PROFESSIONAL ENGINEERS
AND LAND SURVEYORS
1917 S Interstate 35
Austin, Texas 78741-3702
(512)440-7723

Plain Language Summary of the Proposal

This page is a plain language summary of TBPELS rulemaking to comply with Texas Government Code §2001.023. This page is only a summary. To review the full rule proposal, see the July 12, 2024 issue of the *Texas Register*.

The Texas Board of Professional Engineers and Land Surveyors proposes to update the name of one of the accrediting agencies.

The proposed rules amend §133.31 to remove language that is no longer used by the Board when evaluating education credentials of applicants.

The proposed rules amend §133.43 to clarify when a year of experience credit may be granted for post-baccalaureate degree.

The proposed rules amend §133.53 to expand the manner the Board can receive reference statements.

The proposed rules amend §133.67 to expand the manner applicants are qualified to take exams.

The proposed rules amend §133.69 to clarify the requirements applicants must meet to waive the Principles and Practice of Engineering exam.

Any public comments on the proposed rules may be submitted to rules@pels.texas.gov through August 11, 2024.
